

**PIT PELICAN INTERNATIONALE
TRANSPORTE GMBH**

Hamburg Airport Cargo Center

History & Company Philosophy

On 3rd June 1992 Mr. Claus-Jürgen Lange founded Pelican Internationale Transporte GmbH with three decades of experience in the transport and logistics sector. The expansion of the business units was healthy and steady. At the end of 2015 Hendrik S. Lange took over the management.

Our location at the Hamburg Airport has always proved to be a great advantage for our clients. Of course, due to our proximity to the Port of Hamburg as a hub for maritime transport, we can also provide direct support for your overseas shipments.

Today, as 25 years ago, our goal is to offer you a smooth, flexible and fast support of your transports, logistics or customs handling needs through extensive know-how.

Our young, dynamic team is at your disposal around the clock!

Our location at the Hamburg Airport

We can rely on over 1500m² storage area

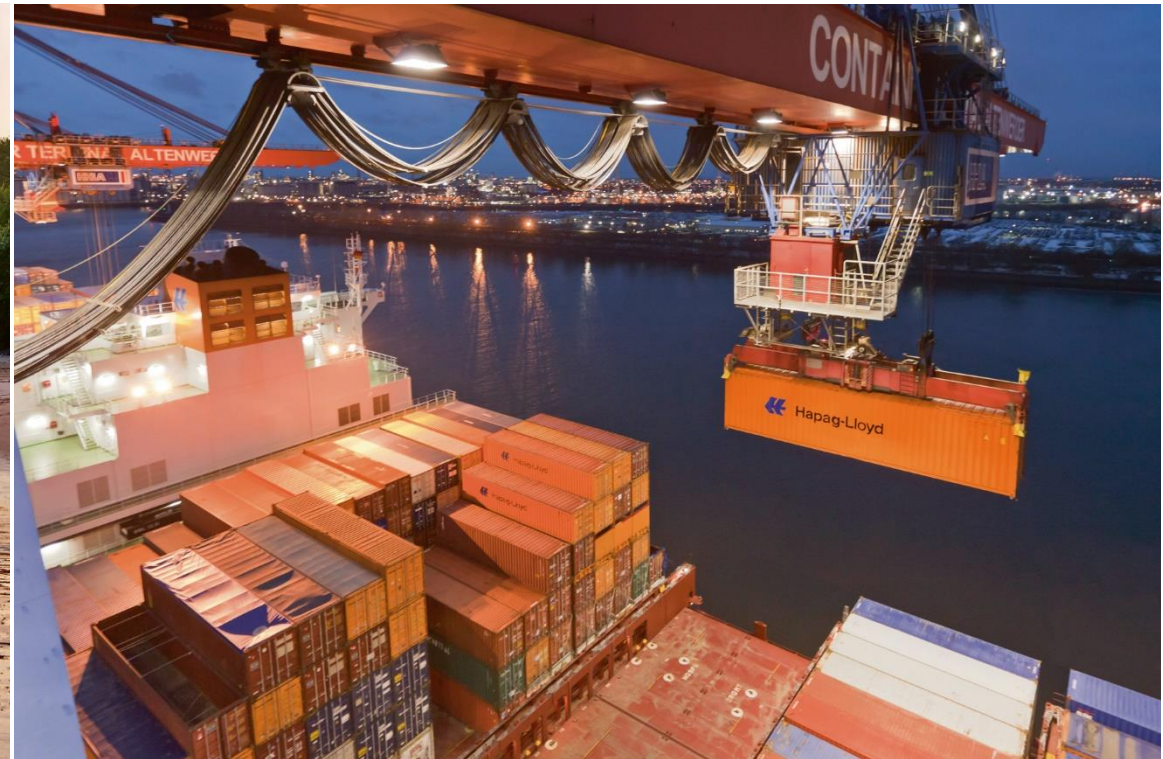

We provide all kind of airfreight services

If needed, we perform part or full charter

Worldwide seafreight shipments: FCL, LCL, Breakbulk, RoRo, Conventional shipments

Multimodal transports, incl. Fareast railway deliveries
